

## **Prayer for Candlelight Funds**

Spirit of Comfort  
embracing our sadness.  
Your presence a shield  
in the shadow of grief.

You are the Watcher  
tending the lampwicks,  
patiently waiting  
'til hope knocks again.

O Wisdom, be with us,  
walk with us, weep with us.  
Shine grace on our memories.  
Bring your light to our life.  
Amen.
