

Show the love intercessions

Please use these prayers of intercession in your parish to show the love for God's creation and our sisters and brothers living in poverty.

We pray for the Church: that she may be a beacon of hope throughout the world, shining a light on the wonders of God's creation and reminding us all of our responsibility to care for and protect this precious gift. Lord in your mercy...

We pray for the world, which is God's wonderful gift of creation and our common home: that we may hear its cry of the damage done and be moved to protect all that we love for future generations to enjoy. Lord, in your mercy...

We pray for those people who are already facing droughts, floods and storms as the climate changes: that they may know that they are not forgotten, as together we strive to find creative solutions and build a better future. Lord, in your mercy...

We pray for our parish and our local community: that through the grace of God we may hear the cry of the earth and the cry of the poor and be moved to respond in whatever way we can. Lord, in your mercy...
