

Prayer for peace in Syria

*"The people that walked in darkness
have seen a great light;
of the inhabitants of a country
in shadow dark as death
light has blazed forth."
(Isaiah 9:1-2)*

God of light,

We pray for our neighbours in Syria
walking in the shadow of darkness.

In you, Lord, may we see a flicker of hope,
a warm ray of light to heal our hearts.

Pour upon us all your glorious light,
your radiance brings us to fullness of life.

We pray as one the fighting may cease,
and all may be blessed by the dawn of your peace.

We ask this through your Son, our Lord Jesus Christ, Amen.
