

Christmas greetings from Puentecitos

Dear Brothers and Sisters in Connect2 Parishes,

May Our Lord God bless you, and may you have every success in your daily lives.

I would like to thank you for all your support this year, and to let you know that we have had some important achievements in our women's groups and our families. We are hoping that in the new year we can continue to cooperate in our small businesses and enjoy the training for women in our communities.

Blessings on you all,

Ana Julia and family

Christmas greetings from Cashagua

Dear Brothers and Sisters in Connect2 Parishes,

I send you my warm greetings. I hope you are receiving God's blessings for your support of our communities and families.

Your support is changing and helping us in our lives, the lives of our families and of our community. In our group of women we have had some important achievements. We hope that this work continues next year and that we may continue to find a way to overcome the precarious situation we live in.

May God bless you and watch over you always,

Rosa and family

Christmas greetings from Puentecitos

Hello,
It's great to write to you. May God bless the Connect2 parishes.

I would like to let you know that I got married in April. I give thanks to God, and to my parents for all their love and support through all the time that I have been a single parent to my two children. Now I am happy that God has given me my husband.

With the women's group, we have been making and selling pupusas. In my home, my husband and I have been planting maize, beans, millet, cucumber, blackberries, and squash.

I send you love and affection, and ask God to watch over you and shower you with blessings for your homes and families.

Edelmira

Christmas greetings from Puentecitos

We send warm greetings to everyone working with CAFOD.

We would like to let you know that we have started our “posadas” (advent tradition of statues of Mary and Joseph spending each night in a different household in a community). We are on day 7, and this makes us very happy, because each day it is the turn of a different home in our community.

Thank you for the photos you sent us. We hold you in our hearts, as we can't be with you in person, and we think of you always.

Thank you, and until the next time,

Fidel and Julia
