

In remembrance

In this month of remembrance please pray for all our friends in our Connect2 communities who have died.

Parón chapel in Cruz de Mayo

*Lord of life and love,
as we give thanks for times past,
grant us courage to embrace the present
and grace to share the future.*

*In memory of loved ones dear,
kindle their flame to shine in the dark
and light the path ahead.*

*Show the way that leads to life
as we cherish days gone by
and inspire us with the touch of love
that faith and hope live on.*

Amen.
