

# Laudato Si' Song

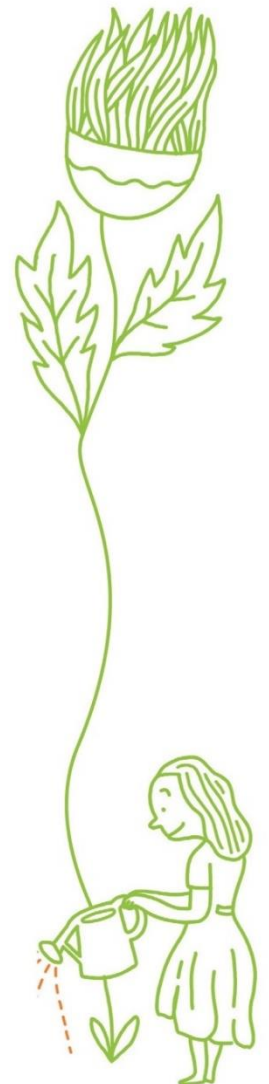

*Chorus: Laudato Si'  
Praise be  
Laudato Si'  
Praise be to God*

*Laudato Si'  
Praise be  
Laudato Si'  
Praise be to God*

There's beauty in this world,  
In every leaf, in every creature  
Woven together by love,  
Each connected to each other.

*Chorus: Laudato Si' (Care for our Common Home)  
Praise be (Care for our Common Home)  
Laudato Si'  
Praise be to God*

*Laudato Si' (Care for our Common Home)  
Praise be (Care for our Common Home)  
Laudato Si'  
Praise be to God*

Earth is a treasure for all,  
We must treat it with care, this gift we're given.  
Don't take more than you need so that we can all share  
This world we live in.

*Chorus: Laudato Si' (Care for our Common Home)*  
*Praise be (Care for our Common Home)*  
*Laudato Si'*  
*Praise be to God*

*Laudato Si' (Care for our Common Home)*  
*Praise be (Care for our Common Home)*  
*Laudato Si'*  
*Praise be to God*

**Laudato Si (Care for our Common Home)**  
**Praise be (Care for our Common Home)**  
**Laudato Si**  
**Praise be to God.**
