

Let's make this a

**SUMMER OF**  
**hope**

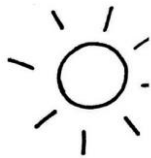

Transform lockdown and cancelled events this summer into a sign of hope by raising money to help CAFOD's Coronavirus response reach some of the world's poorest families.

## How to run a Summer of Hope Football Fundraiser (#wemisstheEuros)

**1** **Decide what competitions to play.** For example:

- Penalty Shoot Out
- Dribbling challenge
- Keepie Uppies
- Pass it on (Literally or virtually!)
- Other \_\_\_\_\_

**2** **Set a date and time** – weekend may be best, if some of your family work during the week. It's useful to have a set time so you can publicise it to friends and family who might like to watch or donate.

- Make a **JustGiving** page for your football fundraiser, share it with friends and family and ask for sponsorship. You could get sponsored per goal, per keepie uppie or for how long you keep going!
- Make it competitive! Have fun! It's all for a good cause.
- Run a competition! Ask other families to pay an 'entry fee', do the same challenges and see how many goals are scored, who is the quickest or who can do the most

**3** **Ask for help** – rope in family members to do different jobs, like making a scoreboard or preparing refreshments. Everyone can help with promotion! Contact other families to ask them to hold their day at the same time and run a league table.

**4** **Set up your JustGiving page** – start from our **Summer of Hope page** and you'll get everything you need.

**5**

**Promote your event!** Share with friends and family what you are planning and why, especially your JustGiving page. And remember people who aren't online – tell your grandparents about it! You could live stream bits of your day – remember to get permission from everyone involved. You can post pictures on social media.
