

Holy Spirit windmill craft

You will need:

- A printed copy of the template
- Scissors
- Colouring pencils or pens
- A paper fastener or straight pin
- A straw or pencil with eraser top

Method:

1. Cut out the square template and cut along the dotted line but not up to the centre.
2. Add some colour to the template. You might like to decorate it with symbols of the Holy Spirit such as flames of fire or a dove.
3. Fold the corners with the dots to the central point and push the paper fastener or pin through them.
4. Loosely secure the paper fastener/pin to the straw or pencil eraser. Make sure any exposed pin is safely secured, perhaps with some blue tac or a piece of cork.
